

Frequently Asked Questions

Q: *How old must my son/daughter be to enroll in a class?*

A: *Students must be 15 years old to enroll in the course. All students registering for a course must be 15 when they sign up.*

Q: *When will my student complete the driving portion of the class?*

A: *We will begin signing students up for drive times after they receive their permit from the BMV. Drive times are set up between the parents and the driving instructor. Times and dates are flexible to meet the needs of each individual student. If you need instructor contact information, please email us at info@driverightinc.com.*

Q: *How long do I have to complete the program?*

A: *You have 180 days to complete the online/classroom and driving portions. If you need more time to complete, that can be accommodated at no extra charge. You must contact us and sign a time waiver form if more time is required.*

Q: *How do I get my permit?*

A: *Anyone getting a permit must now first pass the written exam at the BMV. We will issue the CDE form necessary to get the learner permit after a classroom or online session has been completed. You must have this permit to drive at any time in the course or with a parent.*

Q: *How exactly does the online course work?*

A: *The online course offers students the freedom to complete the 30 hours of bookwork at their own pace, in the comfort of their home. This is the only difference from the traditional classroom program. The student still gets 6 hours of instructional driving with one of our professional instructors at no additional charge. Feel free to contact us for more info regarding our online course.*

Q: *I didn't know about your Company and my son/daughter has already completed another online program. Can we still complete the driving portion with you?*

A: *Yes you can! You will need to fill out a registration form and send it in with a copy of the certificate of completion from your online provider and a payment of \$380.00 to cover the 6 hours of driving. Once received, we will issue the CDE form so you can obtain the learner permit.*

Q: *Do you offer the BMV driving test portion of licensing?*

A: *Yes we do! Once a student has completed the entire course, they may take the driving portion of the BMV exam, and we will stamp their permit accordingly. There is a \$50 fee for this service for students currently enrolled in our program.*

Q: *My student is ready to get their license, but we have lost their paper permit with the passing grade. What do I need to do?*

A: *Assuming that you completed our course (online & Behind-the-wheel), you must contact our office (info@driverightinc.com) for a form stating that your student completed the course. You will then present this form to the BMV.*

Q: *Where do my students meet for driving sessions if enrolled online?*

A: *Students can drive out of several of the four county schools for online courses. Choices include Angola High School, DeKalb High School, East Noble High School, and Prairie Heights High School. Instructors will work with students from other schools to arrange a meeting point that is as convenient as possible. If you need instructor contact information, please email us at info@driverightinc.com.*
